

Lemon Madeleines

Ingredients

100g unsalted butter, melted
100g caster sugar
2 large eggs
100g self raising flour
1 lemon, zested

Method

- Melt the butter in a pan or in the microwave then set aside to cool.
- Put the sugar and eggs in the bowl of a stand mixer with the whisk attachment. Whisk until light and fluffy.
- Fold in the flour and lemon zest.
- Finally pour the cooled melted butter in and fold in carefully.
- Put some clingfilm over the bowl and place in the fridge overnight.
- When ready to bake pre-heat the oven to 190°C (170°C fan).
- Butter and flour the Madeleine mould.
- Take the cake mixture out of the fridge and fill the moulds no more than 3/4 full with a teaspoon or piping bag. You will need to do two batches so place the remaining mixture in the fridge until the first batch is baked then repeat.
- Bake for 10 minutes.
- Leave to cool for a few minutes in the tin then turn out onto a wire cooling rack.
- Dust with icing sugar to serve.
